## Premiere T.E.A.M.

*Where technique, energy, art, and movement become one.*

Meet Premiere Danse Academy's dance company members; Crosby Renninger, Taylor Strayley, Sydney Risch, Gabi Subacz, Brad Myer, Lauren Whitman, Kaylyn Cuff, Paige Snyder, & Natalie Bell - missing from the photo Mary Lefever & Julia Busko.

Premiere Team is under the direction of Amy Barth Meehan and Megan Roland. The goal for the company season is to help all TEAM members grow and learn by improving on their technique, guiding them to the energy level to be successful, learn dance as an art form, and guide each dancer to incorporate their technique, energy, and artistry into all of their movements. It is going to be a great year of growing! TEAM members will have weekly class on a Sunday from 6:00-8:00PM in all styles of dance. They will also have various performance opportunities in the community, attend dance conventions, & attend classes in NYC.
